Startup Procedure

a) Contact *Connecting Countries* info@connectingcountries.net (905) 529-9799
to schedule an information meeting with your class/school representative.

b) Classroom Presentation

This is only a suggestion by our team. Adjustments may be made to suit each class situation.

Readiness to Write

1. A day or so before the presentation, the classroom teacher reads to the class the book **Ryan and Jimmy and the Well in Africa That Brought Them Together** by Herb Shoveller (Kids Can Press ISBN-13 978-1-55337-967-6 ISBN-10: 1-55337-967-5). The teacher emphasizes the importance of a Pen Pal letter to the development of cultural awareness and personal relationship building.
2. A team from Connecting Countries will come to the class with a PowerPoint presentation called "Differently Similar"... introducing Kenya, their schools and students. During the presentation, students look for ways the Kenyan schools are *similar in different ways* to their own, i.e. equipment, storage of belongings, learning materials.
3. A Venn Diagram or T-Chart may be used to organize/record their observations.

c) Pairing of Classes:

Adopt-a-School will pair your class to a class in Kenya of the same grade.
